DVDs of the event are also available for purchase locally or online. Thank you for your efforts in saying "THANK YOU" to our US Military and Veterans! From the Most Military Friendly County in the Most Military Friendly State in the Nation, home of the Big Event in the Little County of the Lost Province, may we never forget that the liberties and freedoms we take for granted every day are not free, but that for generations past and generations to come, the members of the United States Armed Forces have stood in the gap for each of us. May God bless the USA!
